

**Report of Recipient's Progress
on Economic Development Assistance Agreement**

Province of Nova Scotia

*(subsection 5(2) of the Accountability in Economic Development Assistance Act, and
the Accountability in Economic Development Assistance Regulations)*

Under the Act, the Minister is responsible for publishing a report that documents the progress made by a recipient of economic development assistance in meeting the targets or timelines defined in their economic development assistance agreement. Progress must be published on a 6-month cycle and is summarized below for the reporting period for this report, as specified in Part 2 of this form.

Part 1 – Recipient Company Details

Company	Easter Green Films Inc. - Two Cuckolds Go Swimming
Fund name	Nova Scotia Film and Television Production Incentive Fund
Type of assistance	Incentive
Agreement date	December 4, 2020
Agreement business activities	Project expenditures in Nova Scotia

Part 2 – Reporting Period for this report

A recipient of economic development assistance from the Province of Nova Scotia is required by law to submit a report every 6 months on their progress in meeting the targets or timelines defined in their agreement with the Province. The reporting period for this report is indicated below.

Reporting Period	Due Date	Year
<input type="checkbox"/> October 1 to March 31	by May 1	2022
<input checked="" type="checkbox"/> April 1 to September 30	by November 1	2022

Part 3 – Progress of Recipient for Reporting Period

The following table summarizes the recipient's progress report to the Minister for the reporting period for this report, as specified in Part 2. The information contained in this Table was submitted by the recipient and the recipient is responsible for its accuracy.

Table 2

Targets / Timelines	Progress made during Reporting Period	Comments
For the Company to have commenced the film or television production project to which the incentive relates.	The film completed postproduction sound and colour correction during this period. Additional work also included compositing and other VFX work. All work to date has been completed in Nova Scotia, with the exception of the engagement of a Music Supervisor who will be licensing a few tracks for the film's diegetic sound mix. Work remaining includes final credits, closed captioning and French translation, and well as final print and creation of DCP master / distribution copies.	
For the Company to have made eligible project expenditures in Nova Scotia.	Eligible NS costs included additional insurance expenses to extend coverage through the remainder, colour correction labour, post edit suite rentals, sounds edit and sound design labour, and travel within NS.	

Part 4 – Status of agreement with recipient at end of this reporting period

The status of the agreement between the recipient and the Province, as determined by the Minister, is:

- Open - undisbursed
 Open – partially disbursed
 Open – fully disbursed
 Completed
 Cancelled / Withdrawn
Amount disbursed- \$0
