

**Report of Recipient's Progress
on Economic Development Assistance Agreement**
Province of Nova Scotia

*(subsection 5(2) of the Accountability in Economic Development Assistance Act, and
the Accountability in Economic Development Assistance Regulations)*

Under the Act, the Minister is responsible for publishing a report that documents the progress made by a recipient of economic development assistance in meeting the targets or timelines defined in their economic development assistance agreement. Progress must be published on a 6-month cycle and is summarized below for the reporting period for this report, as specified in Part 2 of this form.

Part 1 – Recipient Company Details

Company	MOBIA Technology Innovations Incorporated
Fund name	Strategic Investment Funds
Type of assistance	Payroll Rebate
Agreement date	November 22, 2019
Agreement business activities	Payroll investments in Nova Scotia. Business development, retention, and expansion in the ICT sector.

Part 2 – Reporting Period for this report

A recipient of economic development assistance from the Province of Nova Scotia is required by law to submit a report every 6 months on their progress in meeting the targets or timelines defined in their agreement with the Province. The reporting period for this report is indicated below.

Reporting Period	Due Date	Year
<input checked="" type="checkbox"/> October 1 to March 31	by May 1	2023
<input type="checkbox"/> April 1 to September 30	by November 1	2023

Part 3 – Progress of Recipient for Reporting Period

The following table summarizes the recipient's progress report to the Minister for the reporting period for this report, as specified in Part 2. The information contained in this Table was submitted by the recipient and the recipient is responsible for its accuracy.

Table 2

Targets / Timelines	Progress made during Reporting Period	Comments
For the company to have made incremental payroll investments in Nova Scotia.	During this reporting period, we have made a continued investment in NS including new investment in Data Science and AI.	
To be eligible for an earned incentive, for the payroll investments to be in the range of a minimum of \$432,000 for completed Program Year 1, up to a stretch maximum of \$6,480,000 for completed Program Year 5 and a minimum of 8 FTEs for completed Program Year 1, up to a stretch maximum of 120 FTEs for completed Program Year 5.	We have hired several NS based FTE's during this reporting period as we increase the size of internal and customer facing teams.	
For the business to continue to operate, develop or expand in the ICT sector.	We are focused on growing our work within IT consulting, Engineering, Application Development, and Artificial Intelligence.
