INDEPENDENT AUDITORS' REPORT

To the Board of Governors of Mount Saint Vincent University

We have audited the accompanying Statement of Compensation Required Pursuant to the Public Sector Compensation Disclosure Act for Mount Saint Vincent University for the year ended March 31, 2017 and notes, comprising a summary of significant accounting policies and other explanatory information (together "the statement"). The Statement has been prepared by management in accordance with the financial reporting provisions in Section 3 of the Public Sector Compensation Disclosure Act dated December 10, 2010.

Management's Responsibility for the Statement

Management is responsible for the preparation of the statement in accordance with financial reporting provisions in Section 3 of the Public Sector Compensation Disclosure Act dated December 31, 2010. This includes determining that the basis of accounting is an acceptable basis for the preparation of the statement in the circumstances, and for such internal control as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this statement based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the statement, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statement of Compensation Required Pursuant to the Public Sector Compensation Disclosure Act for Mount Saint Vincent University for the year ended March 31, 2017 is prepared, in all material respects, in accordance with the financial reporting provisions in Section 3 of the Public Sector Compensation Disclosure Act dated December 10, 2010.

Basis of Accounting

Without modifying our opinion, we draw attention to the Basis of Reporting note to the statement, which describes the basis of accounting. The statement is prepared to meet the requirement of the Public Sector Compensation Disclosure Act dated December 10, 2010. As a result, the statement may not be suitable for another purpose.
