AUDITOR'S REPORT ON SCHEDULE OF SCHOOL BOARD SALARIES AND EXPENSES

To the Regional Executive Director of the
Annapolis Valley Regional School Board

At the request of the Annapolis Valley Regional School Board, we have audited the schedule of salaries and expenses of members and employees of the Annapolis Valley Regional School Board (as required under Section 65(1) of the Education Act and defined in Section 24(1) of the Ministerial Regulations to the Education Act) for the year ended March 31, 2018. This financial information is the responsibility of the management of the Annapolis Valley Regional School Board. Our responsibility is to express an opinion on this financial information based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In our opinion, this schedule presents fairly, in all material respects, the salaries and expenses of members and employees of the Annapolis Valley Regional School Board for the year ended March 31, 2018 in accordance with Section 65(1) of the Education Act referred to above.
