INDEPENDENT AUDITORS' REPORT

To the Minister of Education and Early Childhood Development

We have audited the accompanying schedule of salaries and expenses of members and employees of the Cape Breton – Victoria Regional School Board as required under Section 65(1) of the Education Act for the year ended March 31, 2018 in the amount of \$115,577,003 (“the schedule”). The schedule has been prepared by management based on Section 24(1) of the Ministerial Regulations to the Education Act.

Management's Responsibility for the Schedule

Management is responsible for the preparation of the schedule as defined in Section 24(1) of the Ministerial Regulations to the Education Act and for such internal control as management determines is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial information in the schedule of salaries and expenses of members and employees of the Cape Breton – Victoria Regional School Board as required under Section 65(1) of the Education Act for the year ended March 31, 2018, is prepared, in all material respects, as defined in Section 24(1) of the Ministerial Regulations to the Education Act.

A handwritten signature in black ink that reads "MGM & Associates". The signature is written in a cursive, flowing style.
