STATEMENT OF COMPENSATION REQUIRED PURSUANT TO THE
PUBLIC SECTOR COMPENSATION DISCLOSURE ACT
YEAR ENDED MARCH 31, 2020

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of:
HomeBridge Youth Society

Opinion

We have audited the accompanying statement of compensation required pursuant to the Public Sector Compensation Disclosure Act for the HomeBridge Youth Society, for the year ended March 31, 2020, and notes, comprising a summary of significant accounting policies and other explanatory information (together “the statement”). The statement has been prepared by management in accordance with the financial reporting provisions in Section 3 of the Public Sector Compensation Disclosure Act.

In our opinion, the statement of compensation required pursuant to the Public Sector Compensation Disclosure Act for HomeBridge Youth Society for the year ended March 31, 2020 is prepared, in all material respects, in accordance with the financial reporting provisions in Section 3 of the Public Sector Compensation Disclosure Act.

Basis of Accounting

Without modifying our opinion, we draw attention to the Basis of Reporting note to the statement, which describes the basis of accounting. The statement is prepared to meet the requirement of the Public Sector Compensation Disclosure Act. As a result, the statement may not be suitable for another purpose.

Responsibilities of Management and Those Charged with Governance for the Report

Management is responsible for the preparation and fair presentation of the statement in accordance with the financial reporting provisions in Section 3 of the Public Sector Compensation Disclosure Act. This includes determining that the basis of accounting is an acceptable basis for the preparation of the statement in the circumstances, and for such internal control as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the Audit of the Report

Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian

generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this report.

As part of an audit in accordance with Canadian generally accepted auditing standards and the requirements of Section 178 of the Nova Scotia Elections Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
