Independent auditor's report

Honourable Zach Churchill - Minister,
Education and Early Childhood Development

Opinion

We have audited the Statement of Employee Compensation for South Shore Regional Centre for Education ("the Regional Centre") for the year ended March 31, 2020, and notes to Statement of Employee Compensation, including a summary of significant accounting policies (together, "the Statement").

In our opinion, the accompanying Statement for the year ended March 31, 2020 is prepared, in all material respects, in accordance with the financial reporting provisions of the Public Sector Compensation Disclosure Act, 2010, C.43, S.1 ("the PSCD Act").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Regional Centre in accordance with the ethical requirements that are relevant to our audit of the Statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the Statement, which describes the basis of accounting. The Statement is prepared to assist the Regional Centre in meeting the requirements of the PSCD Act. As a result, the Statement may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Matter – Supplementary Information

We draw attention to the fact that the supplementary information consisting of total expenses for all employees included on the Statement is presented for purposes of additional information and does not form part of the Statement as required by the PSCD Act. We have not audited or reviewed this supplementary information and, accordingly, we do not express an opinion, a review conclusion or any other form of assurance on this supplementary information.

Responsibilities of Management and Those Charged with Governance for the Statement

Management is responsible for the preparation of the Statement in accordance with the financial reporting provisions in the PSCD Act, and for such internal control as management determines is necessary to enable the preparation of the Statement that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Regional Centre's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Regional Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
