The *Public Accounts Volume 3—Supplementary Information* is produced in accordance with the Provincial Finance Act, which requires an annual reporting of all sums paid from the Province's Consolidated Fund during the fiscal year. In this publication payments are reflected on a cash basis and include Tangible Capital Acquisitions.

Accounts Payable, Tangible Capital Assets and other adjustments are indicated to reconcile cash payments with the accrued charges to Appropriations.

Transfers to (or from) other Accounts indicates that a portion of the payments have been charged to other accounts/departments.

Accumulative payments to individuals and suppliers within the fiscal year are reported as follows:

Salaries – \$25,000 and over; Travel – \$3,500 and over;  
and all other payments – \$5,000 and over.
