INDEPENDENT AUDITORS' REPORT

To the Chairperson and members of the Board of
Guysborough Antigonish Strait Health Authority

We have audited the accompanying financial statements of Guysborough Antigonish Strait Health Authority which comprise the statement of financial position as at March 31, 2011 and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements:

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of Guysborough Antigonish Strait Health Authority as at March 31, 2011 and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

A handwritten signature in black ink that reads "MGM & Associates". The signature is written in a cursive, flowing style.

Interest received	21,038	14,909

See accompanying notes to financial statements.

GUYSBOROUGH ANTIGONISH STRAIT HEALTH AUTHORITY

Notes to Financial Statements

Year ended March 31, 2011

The Authority's principal activity is to operate and manage designated hospitals and other health related activities within the Eastern Region of Nova Scotia.

1. Significant accounting policies:

a) Revenue recognition:

The Authority follows the deferral method of accounting for contributions which include donations and government grants.

The Authority is funded primarily by the Province of Nova Scotia in accordance with budget arrangements established by the Department of Health. Operating grants are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in that subsequent period.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions restricted for the purchase of capital assets are deferred and amortized on a straight-line basis, at a rate corresponding with the depreciation rate for the related capital asset.

Investment income (restricted and unrestricted) is recognized as revenue when earned.

b) Marketable securities:

Marketable securities are valued at market value.

c) Inventories:

Inventories are valued at the lower of cost and replacement cost.

d) Restricted:

Funds donated from outside agencies or individuals which have been designated for a specific purpose have been restricted.

e) Capital assets:

Capital assets are stated at cost.

Capital assets are amortized on the straight-line basis using the following annual rates:

Asset	Rates
Building, paving and land improvements	2.5%, 4%, 8%
Major equipment	5%, 6.67%, 10%, 20%

GUYSBOROUGH ANTIGONISH STRAIT HEALTH AUTHORITY

Notes to Financial Statements

Year ended March 31, 2011

1. Significant accounting policies (continued):

(f) Post retirement benefits:

The actuarial determination of the accrued benefits obligations for retiring allowance and health benefits uses the projected benefit method prorated on service which incorporates management's best estimate of various assumptions.

Past service costs arising from plan amendments are recorded as an expense of the current year.

Actuarial gains (losses) arise from the difference between the actual obligation experience and the projected obligation experience. The actuarial gains (losses) are amortized over the average remaining service period of active employees.

(g) Financial instruments:

The Authority utilizes various financial instruments. Unless otherwise noted, it is management's opinion that the Authority is not exposed to significant interest, currency or credit risks arising from these financial instruments and the carrying amounts approximate fair values.

All transactions related to financial instruments are recorded on a settlement date basis.

Held for trading financial assets and liabilities

Held for trading financial assets and liabilities comprise cash and marketable securities, accounts receivable as well as accounts payable and accrued liabilities. These financial assets and liabilities are measured at their fair value with changes in fair value recognized in the Statement of Operations.

(h) Estimates:

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenditures during the reporting periods. Actual results could differ from those estimates.

GUYSBOROUGH ANTIGONISH STRAIT HEALTH AUTHORITY

Notes to Financial Statements

Year ended March 31, 2011

6. Post retirement benefits:

The Authority, in conjunction with the Department of Health, provides to employees three post retirement benefit plans:

- a pension plan
- a retirement allowance plan and
- a retiree health benefit plan.

a) Pension benefits:

The Authority participates in a multi-employer defined benefit pension plan and is required to make contractual contributions to the plan in amounts proportionate with that of the employees. During the year the Authority contributed and recorded in the Statement of Operations contributions in the amount of \$4,072,088 (\$3,796,062 in 2010). Responsibility for funding additional pension obligations, if any, rests with the Province of Nova Scotia.

b) Retirement allowance benefits and retirement health benefits:

Retiring employees become eligible for both a retiring allowance and the right to participate in a plan providing continuing health benefits.

The Department of Finance engages actuaries to periodically compute the obligations for both retirement allowance and health benefit obligations. In the interval between the periodic actuarial re-computations, the changes in obligations are extrapolated. Neither of the plans are separately funded.

Accrued retirement and health benefit obligations in excess of those paid by the Authority are reflected in the Statement of Financial Position. The inclusion of these obligations does not impact the Authority's financial position as a corresponding receivable from the Province of Nova Scotia is also reflected in the Statement of Financial Position.

Retirement and health benefit expense in excess of amounts paid by the Authority is reflected in the Statement of Operations. The inclusion of these expenses does not impact the Authority's operating results as a corresponding amount of revenue from the Department of Health is also reflected.

Notes to Financial Statements

Year ended March 31, 2011

7. Deferred contributions related to capital assets:

Deferred contributions related to capital assets represent the unamortized amount and unspent amount of donations and grants received for the purchase of capital assets. The amortization of deferred capital contributions is recorded as revenue in the statement of operations. The changes in the deferred contributions balance during the year are as follows:

	2011	2010
Balance, beginning of year	\$ 36,020,054	\$ 37,016,039
Additional contributions received	2,590,269	2,007,912
Amounts amortized to revenue	(3,232,071)	(3,003,897)
Balance, end of year	\$ 35,378,252	\$ 36,020,054

8. Investment in capital assets:

a) Investment in capital assets is calculated as follows:

	2011	2010
Capital assets	\$ 37,489,393	\$ 38,191,195
Amounts financed by:		
Deferred contributions	35,378,252	36,020,054
Capital lease additions	600,000	600,000
Amortization of capital lease assets	(480,000)	(420,000)
Capital assets funded from operations	1,409,289	-

Year ended March 31, 2011

10. Related parties:

The Authority is related to St. Martha's Regional Hospital Foundation, Guysborough Memorial Hospital Foundation, Strait Richmond Hospital Charitable Foundation and St. Mary's Memorial Hospital Society. The Foundations' primary purpose is to raise funds to assist in the construction of and the supply of certain equipment for the Authority.

The following amounts were due from the stakeholders as at March 31:

	2011	2010
Capital fund:		
St. Martha's Regional Hospital Foundation	\$ 70,000	\$ -
St. Martha's Regional Hospital Auxiliary	72,294	-
St. Mary's Memorial Hospital Foundation	19,543	-
Guysborough Memorial Hospital Auxiliary	-	16,000
	<u>\$ 161,837</u>	<u>\$ 16,000</u>

During the year ended March 31, 2011, the following amounts were received/receivable from the Foundations/Auxiliaries to purchase capital:

	2011	2010
St. Martha's Regional Hospital Foundation	\$ 169,633	\$ 49,462
St. Martha's Regional Hospital Auxiliary	203,850	91,693

St. Mary's Memorial Hospital Foundation	31,270	15,123
Strait Richmond Hospital Foundation	47,949	-
Strait Richmond Hospital Auxiliary	2,600	-
Guysborough Memorial Hospital Foundation	7,812	-
St. Mary's Memorial Hospital Auxiliary	-	8,000
	<u>\$ 471,414</u>	<u>\$ 195,401</u>

11. Contingencies:

The Authority has referred incidents to their lawyers. The outcome of these matters is not determinable and settlement, if any, will be accounted for as a charge to operations in the period of settlement. Management is of the opinion that their insurance coverage is sufficient to meet or discharge any obligations arising from any possible lawsuits.

12. Amounts owing to Operating and Restricted Funds:

The Board has agreed to repay the restricted fund and the operating fund for amounts it borrowed to pay for the Paid Parking Project. The payments will be for a period of seven years commencing in fiscal 2011/2012.

Notes to Financial Statements

Year ended March 31, 2011

13. Fair value of financial assets and liabilities:

The carrying values of cash, accounts receivable and accounts payable and accrued liabilities approximate their fair value due to the relatively short periods to maturity of these financial instruments.

The fair value of marketable securities is measured using year end quoted market prices.

14. Capital management:

The Authority's objectives when managing capital are:

To safeguard the Authority's ability to continue as a going concern, so that it can continue to provide health services to the residents of Eastern Nova Scotia.

To maintain the facilities from which services are provided.

The Authority manages its capital through established management policies and governance at the level of the Board of Directors.

15. New accounting pronouncements:

The Accounting Standards Board has issued a set of standards for not-for-profit organizations as part of the CICA Handbook – Accounting. Not-for-profit organizations have a choice to report in accordance with International Financial Reporting Standards or the new standards for not-for-profit organizations.

The effective date for application in annual financial statements is for fiscal year ends beginning on or after January 1, 2012; however, early adoption is permitted.

16. Comparative figures:

Certain of the 2010 comparative figures have been reclassified to conform with the financial statement presentation adopted in 2011.
