The *Public Accounts Volume 3—Supplementary Information* is produced in accordance with the Finance Act, which requires an annual reporting of all sums paid from the Province's General Revenue Fund during the fiscal year. In this publication payments are reflected on a cash basis and include Tangible Capital Asset Acquisitions.

Accounts Payable, Tangible Capital Assets and other adjustments are indicated to reconcile cash payments with the accrued charges to departmental expense appropriations. The appropriations are prepared on a gross basis with no netting of General Revenue Fund revenues, recoveries or fees and other charges.

Transfers to (or from) other Accounts indicate that a portion of the payments have been charged to other accounts/departments.

Accumulative payments to individuals and suppliers within the fiscal year are reported as follows:
Salaries – \$25,000 and over; Travel – \$3,500 and over;
and all other payments – \$5,000 and over.
