**HALIFAX REGIONAL CENTRE FOR  
EDUCATION**

And Independent Auditor's Report thereon

Year ended March 31, 2025

## INDEPENDENT AUDITOR'S REPORT

To the Minister of Education and Early Childhood Development

### ***Opinion***

We have audited the consolidated financial statements of Halifax Regional Centre for Education (the Entity), which comprise:

- the consolidated statement of financial position as at March 31, 2025
- the consolidated statement of accumulated surplus for the year then ended
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
  - the consolidated statements of cash flows for the year then ended
  - and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at March 31, 2025, and its results of operations, its consolidated changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “***Auditor’s Responsibilities for the Audit of the Financial Statements***” section of our auditor’s report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained

up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Consolidated Financial Statements

Year ended March 31, 2025

---

Halifax Regional Centre for Education (HRCE) is an independent legal entity operating as a corporation sole, with the Minister of Education and Early Childhood Development as a sole director as stipulated in the Education Reform (2018) Act. The HRCE provides a full range of educational services for all instructional programs from Pre-Primary through Grade 12 at public schools within the Halifax Regional Municipality. HRCE is registered as a charitable organization under the Income Tax Act and, therefore, is exempt from income tax and may issue official receipts to donors for income tax purposes.

### 1. Significant accounting policies:

These consolidated financial statements are prepared in accordance with Canadian Public Sector Accounting Standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada ("CPA").

The consolidated financial statements have also been prepared to comply with the provisions of Education Reform (2018) Act.

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations controlled by HRCE and accountable to HRCE for the administration of their own financial affairs and resources.

School based funds, which include assets, liabilities, revenues and expenses arising from certain school and student activities that are controlled and administered locally by each school, but for which HRCE is accountable, are reflected in the consolidated financial statements.

Trust funds and their related operations administered by HRCE are not included in the consolidated financial statements as they are not controlled by HRCE.

The consolidated financial statements have been prepared using the following significant accounting policies:

#### (a) Revenue:

Revenue is recorded on an accrual basis. Grants received, donations and fees collected in advance of the provision or use of related services are deferred. The main components of revenue are funding from the Province of Nova Scotia and the Halifax Regional Municipality. Provincial government transfers representing the year over year change in accrued benefit obligations are recognized as revenue as the transfer has been authorized.

Each year, contributions by volunteers support the delivery of certain programs within schools. Due to the difficulty in determining or otherwise estimating the value of these contributions and because these services are not otherwise purchased, contributed services are not quantified and recognized in these financial statements.

#### (b) Expenditures:

Expenditures are recorded on an accrual basis and include the cost of supplies inventory purchased during the year. Provisions are made for contingent liabilities when it is likely that a liability exists, and the amounts can be reasonably determined.

## 1. Significant accounting policies (continued):

### (c) Financial instruments:

HRCE's financial instruments consist of cash and cash equivalents, receivables, payables and accruals, and other liabilities. It is management's opinion that HRCE is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximates their carrying values, unless otherwise noted. HRCE does not hold any financial derivatives, equity investments quoted in an active market or other financial instruments that would be designated to the fair value category. During the year, HRCE did not receive any non-cash distributions on investments.

### (d) Liabilities:

HRCE accrues teachers' salaries at year-end. As directed by the Province of Nova Scotia, this is offset by a receivable from the Province for the accrued amount. The accrual and offsetting receivable are adjusted annually as required.

Salaries, vacation pay and benefits of non-teaching employees, as well as substitute salary costs, are also accrued at year-end. There is no equivalent offsetting receivable from the Province for these amounts.

### (e) Cash and cash equivalents:

Cash and cash equivalents include cash on hand, balances with banks, short-term investments and bank balances held by schools. Bank borrowings, if they occur, are considered to be financing activities during the year.

### (f) Net (debt) financial assets:

Net financial assets represent the financial assets of HRCE, less liabilities.

### (g) Non-financial assets:

Tangible capital assets having useful lives extending beyond the accounting period are held for use in the operation of HRCE and are not intended for sale in the ordinary course of operations. Tangible capital assets are recorded at net historical cost (or estimated cost when the actual cost is unknown) and include all costs directly attributable to the acquisition, construction, development and installation of the tangible capital asset, except interest. Tangible capital assets include land, building betterments, leasehold improvements, furniture and equipment, computer hardware, and motor vehicles. Tangible capital assets paid for by the Province either through direct payment or cost recovery are excluded as per the provincial School Board Financial Handbook.

### 1. Significant accounting policies (continued):

#### (g) Non-financial assets (continued):

All tangible capital assets recorded prior to the March 31, 2005 fiscal year have been removed from the consolidated financial statements. Capital assets purchased by the HRCE since April 1, 2005 are recorded as assets and amortized according to the Province of Nova Scotia's tangible capital assets accounting policy thresholds. These thresholds are as follows:

|                         |            |               |     |                               |
|-------------------------|------------|---------------|-----|-------------------------------|
| Building betterments    | \$ 150,000 | Amortization: | 5%  | Declining balance             |
| Motor vehicles          | 15,000     | Amortization: | 35% | Declining balance             |
| Computer hardware       | 25,000     | Amortization: | 50% | Declining balance             |
| Furniture and equipment | 250,000    | Amortization: | 30% | Declining balance             |
| Leasehold improvements  | 150,000    | Amortization: |     | Straight-line over lease term |

Under an agreement with the municipal councils at that time, all school buildings and land on hand at January 1, 1982 remain assets of the municipality, but are under the operational control of HRCE until such time as HRCE no longer requires the asset for school purposes. If assets are declared surplus by HRCE, control will revert back to the Halifax Regional Municipality. Accordingly, as the school buildings prior to 1982 are not considered owned by HRCE and schools subsequent to 1982 are owned by the Province of Nova Scotia or other parties, HRCE has not recorded any school buildings in these financial statements.

HRCE has made additions to school buildings, legal title to which is held by the Halifax Regional Municipality or the Province of Nova Scotia. Under the Education Reform (2018) Act of Nova Scotia, should the buildings in question be disposed of, HRCE will be entitled to a portion of any net proceeds of disposition. Due to the uncertainty of the receipt of any net proceeds by HRCE, they will not be recorded by HRCE until received.

Prepaid expenses are cash disbursements for goods or services, other than tangible capital assets and inventories of supplies, of which some or all will provide economic benefits in one or more future periods that HRCE controls. The prepaid amount is recognized as an expense in the year the goods or services are used or consumed.

#### (h) Pension, post-employment benefits and compensated absences:

The contributions to a multiemployer, defined benefit pension plan are expensed when contributions are due.

# HALIFAX REGIONAL CENTRE FOR EDUCATION

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2025

## 1. Significant accounting policies (continued):

### (h) Pension, post-employment benefits and compensated absences (continued):

The costs of post-employment benefits and compensated absences are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation and expected absences. Liabilities are actuarially determined using discount rates that are consistent with the market rates of high quality debt instruments. Any gains or losses from changes in assumptions or experience are amortized over the estimated average remaining service period for active employees.

HRCE provides enhanced pension benefits to certain employees who had retired from HRCE at amalgamation. HRCE recognizes the actuarial liability of these post-employment benefits and amortizes it over the remaining period of the pension enhancement.

### (i) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

### (j) Liability for Contaminated Sites:

HRCE accrues a liability to estimate the cost to remediate contaminated sites to the level necessary to allow the property to meet the environmental standard appropriate to its current use or status. This relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination. The liability is based on estimates and assumptions using the best information available to management.

## 2. School based funds:

## 3. Long-term service awards:

Qualifying employees receive a service award upon retirement, disability, death or termination, when entitled to a vested pension. The employment contracts prescribe the formulae used in calculating the service award as well as the period over which the payment is to be made.

The Province of Nova Scotia assumed responsibility for the payment of service awards to qualifying employees, but regions in Nova Scotia are required to recognize the projected liability with respect to these service awards. The projected liability is offset by a corresponding receivable from the Province. The amount of the projected liability has been determined by the Nova Scotia Department of Finance, based on an actuarial valuation. The Province of Nova Scotia used Eckler to determine the Teachers' Service Award benefit obligation and used the projected unit credit method, based on service accrued to August 1, 2015 to determine the benefit obligation, since benefits have been curtailed effective August 1, 2015. Key assumptions used in the determination of the benefit obligation included a discount rate of 3.67% (2024 – 3.18%), a retirement age using 50% at Rule 85, remainder at earlier of 35 years of credited service, age 62 with 10 years of credited service and age 65 with 2 years of credited service. The non-teachers' Service Award benefit obligation was determined by Eckler.

Between 2017 and 2020, eligible employees (teachers and non-teaching employees) were provided with an opportunity to elect for an early service payout in lieu of their service award. This one-time election for each group of employees has ended and all elected amounts have been paid out as of March 31, 2021. The election uptake was 91% for teachers and 63% for non-teachers. The amount included for Teachers' Service Awards is \$4,021,681 (2023 - \$4,141,082) and the amount included for Non-teachers' Service Awards is \$93,112 (2023 - \$95,307).

## 4. Long-term teachers' and non-teachers' sick leave accrual:

Qualifying employees are entitled to a prescribed number of sick leave days for use over their employment term. The Province of Nova Scotia has prepared an estimate of the non-vesting accumulated sick leave accrual for the teaching and non-teaching staff of all Regional Centres for Education in the Province and has assumed responsibility for the funding of this liability. As a result the Regional Centres for Education are not responsible for the future funding of this liability.

The Regional Centres for Education in Nova Scotia are required to recognize in their respective financial statements the liability and the offsetting recovery from the Province of Nova Scotia and the yearly changes in the accumulated sick leave accrual related to the teaching and non-teaching staff. The Teachers' Sick Leave benefit obligation is calculated by Eckler on behalf of the Province of Nova Scotia. In determining the benefit obligation the projected unit credit method was used to allocate the expected benefit accrued for the period earned. Key assumptions used in the determination of the benefit obligation included a discount rate of 3.67% (2023 –3.18%), and sick leave utilization based on an analysis of historical sick leave usage from 2018-2019 through 2020/21 and 2021-2022 through 2023-2024 determined by gender and age group ranging from annual usage of 7.9 days to 32.2 days. Non-teachers' Sick Leave benefit obligation was calculated by Eckler.

The amount included for Teachers' Sick Leave Accrual is \$56,029,637 (2024 - \$57,073,878) and the amount included for Non-teachers' Sick Leave Accrual is \$6,535,422 (2024 - \$5,719,709).

## 6. Commitments (continued):

- (d) HRCE issued 113 term teaching contracts to new Bachelor of Education graduates for the 2025-2026 school year.

## 7. Contingencies:

- (a) HRCE has recorded actual and estimated expenditures relating to known environmental matters in its properties. The liabilities for such expenditures may fluctuate in future years as a result of changes in estimates. Changes will be recognized in the period the estimate changes. The future liability relating to unknown environmental matters in properties is not determinable at this time.
- (b) HRCE is a subscriber to a self-insurance plan with the Nova Scotia School Insurance Exchange with all Regional Centres for Education in Nova Scotia, the Conseil scolaire acadien provincial (CSAP), and the Nova Scotia Community College.

## 8. Pension plans:

- (a) Teachers:

HRCE's teachers are members of a pension plan established by the Province of Nova Scotia pursuant to the Teachers' Pension Act. The Teachers' Pension Plan is administered by the Teachers' Pension Plan Trustee Inc. The Province of Nova Scotia and the Nova Scotia Teachers' Union are jointly responsible for funding this plan and accordingly no provision is included in HRCE's financial statements for the related pension amount.

The most recent Teachers' Pension Plan valuation presented a funding deficit of \$1,441,690,000 at December 31, 2024. The HRCE is not responsible to fund any portion of this deficit.

Total pension expense for Teaching employees was \$46,456,900 (2024 - \$44,916,400).

- (b) Non-teachers:

HRCE's non-teaching employees participate in a multi-employer pension plan administered by the Halifax Regional Municipality Pension Committee. Employer pension costs of \$19,640,373 (2024 - \$12,896,200) are included in these consolidated financial statements which represent the cost of employer contributions for current service of participating employees during the year. Employees and the employer both contribute at the rate of 12.21% of pensionable earnings.

The most recent Halifax Regional Municipality Pension valuation presented a funding surplus of \$137,645,000 at December 31, 2023.

## 9. Bank indebtedness:

HRCE has an operating line of credit of \$6,957,000 available with interest at prime minus 0.75%. As of March 31, 2025, this line of credit had not been utilized.
